

DEAR WISCONSIN REPRESENTATIVE,

Permit me to inform you that the federal order that places the Wisconsin National Guard on federal active duty may not be lawful or valid?

A 2009 bill is being advanced in the Wisconsin legislature that requires the governor to examine the federal order that places the Wisconsin National Guard on federal active duty.

If the federal order is found to be invalid, the bill requires the governor to commence legal action in state or federal court to prevent the Wisconsin National Guard from being placed on active duty.

I ask for your support of this bill.

Signed: BringTheGuardHome.org
