

**Petition opposing unlawful deployment of the Wisconsin National Guard**

We, the undersigned, are gravely concerned that the current U.S. military action in Iraq is without lawful authorization by Congress and that the deployment of Wisconsin National Guard units to Iraq is illegal because the 2002 Congressional Authorization for the Use of Military Force has expired and has not been renewed.

**We petition our representatives in the Wisconsin Legislature to honor and protect our Wisconsin National Guard from unlawful federal deployments by supporting Assembly Bill 203.** This bill recognizes the Governor's responsibility to take a hard look at each National Guard federalization order, to determine whether that order is legal, and to contest any order lacking a valid congressional authorization.
