

Thank you for asking about the Lending Rules for WNPJ materials.

All audio-visual materials are available from the WNPJ office. We hope you can make a small donation for the use of the material.

Call 608-250-9240 to check on availability. A small shipping fee will be requested, if you are unable to collect the material yourself from the WNPJ at 122 State St. #402, Madison.

We hope you will return the materials within two weeks, so the item can be made available for others to use. Special arrangements can be made, if the resource is needed for a class.

Thank you. Judy Miner, WNPJ office coordinator, info@wnpj.org
